Kennedy-Pro - 3/8mm Drive, T9mm Screwdriver Bit Sockets - 6 Points

Often used in the automotive and aerospace industries. The weight to strength ratio ensures the reliability and accessibility that is important in this type of environment. Made from chrome vanadium steel, fully chrome plated with a mirror finish and aluminium-free. All have ball retaining grooves. Conform to DIN standards.

Bit Length Bit Type TX Socket Size T9mm Socket Depth Standard Drive Type Square Drive Size 3/8mm Socket Type Socket Bit Overall Length Product Number Expression of the product Number	Specifications	Details
