

Elitech LMC-310 | Wireless Refrigerant Electronic Charging Scale | W/ Charging Valve At 220 Lbs/100kgs

The Elitech LMC-310 Wireless HVAC Refrigeration Charging Scale is compatible with all mobile devices and provides precise readings in wireless mode. The wireless scales improve worker comfort or efficiency because the technician can remain in their car rather than sit on a warm building roof. For durability, this refrigerant scale is built around a rugged platform. This is a flexible, user-friendly one-scale that works with all refrigerants. Switchable Units: The Elitech Refrigerant Scale LMC-310 works with all refrigerants and shows the measures in pounds, kilograms, and ounces, removing the need to convert the measurements to another measurement type on a calculator for record-keeping needs.

Specifications	Details
Resolution	5g
Accuracy	$\pm 0.05\%$ rdg+10g
Range	100Kg(220lb)
Battery Life	Remote: 50h Scale platform: 60h
Dimensions	271*271*74mm
Power Supply	Remote: 5AAA batteries Scale platform: 5 AA batteries
Operating Temperature	-10~40°C
Storage Temperature	-15~50°C
