

Elitech SVP-9-110V | Intelligent 1HP Vacuum Pump | 9 CFM 2 Stage HVAC Refrigerant Recharging | Touch Screen | Data Logging And Storage Via App

The clever Elitech SVP-9 2-stage vacuum pump has a maximum distance controllable by Bluetooth connection of 30 feet/10 meters via an application. Its pumping rate is 4 L/S (9 CFM), and its motor power is 1 HP (750 W).

Specifications	Details
Motor Power	1 HP (750 W)
Power Supply	110V/60Hz
Gross weight	35.3 lbs / 15.3 kg
Operating Temperature	5Â°C~ 40Â°C (41Â°F~ 104Â°F)
